Your Calendar for 2018

The calendar is a little different this year. We've made the photos on each page a lot smaller so it won't drink all your ink when you print it. There's also a bit of white space at the top of each page to hole punch them if you want to put them in a folder or personal organiser: or just write a few extra notes. We hope you like it.

Is this Calendar Really Free?

I'm glad you asked that question, because actually it's not. I'd like to say a very special thank you to the kind people who donated towards the running costs of UK Safari this year. Without their help your calendar, your newsletters and all the information on the UK Safari website would not have happened. They are...

Jane Foxon, Lawrence Parker, Brian Wareham, Henry Young, Hannah Donaldson, Hazel Ashton, Vicki Brett, Sally Pickford, Mark Gillingham, Martin Peters, Mary Ann Moore, Beth Keatley, Stacey Housego, Dawn Marshall, John Gofton, Graham Frostick, Brian Carroll, White Doll Arts, Wayne Coulter, Peter Barnes, Martin Armstrong, Emma Croysdale, Will Davies, Peter Rodgers, Carole and Bill Ledingham, Lorraine Bascombe, John Caddick, Steve Knight, Peter Kelly, Roisin Bonner, Bob Coccozza, Victor Geary, Celia Hobbs, John Eden, Bryan Baker, Kirsty Hutchinson, Robert Breach, Samantha Weeks, , Dawn Edwards, Pat Worthington, Aislinn Tully, Gof Thompson, James Brooking, Craig Wallace, Julian Hampton, Angie Kellett, Rosalind Turner, Duncan Lovatt, Richard Seddon, David Neale, Anita Manka, Andrew Hamilton, Cath F Allen, Jonny Briggs, John Atwood and Emily Jenkins.

If your name is not on this list of superheroes you might be experiencing a really horrible feeling inside now. It's understandable. You're probably remembering all those adverts I put on the website asking you to send something. Are you thinking of how you ignored every one of those little digital cries for help?

Don't worry. Your feelings of guilt are curable. Just click on the donation page at www.uksafari.com/donation.htm where you can squirt a few pounds at us via Paypal. You don't need a Paypal account. Just a bit of plastic and an email address. Go on. Do it now. You'll feel so much better, and we'll all be saying nice things about you again (just like we used to).
